Oh Jeeze, this couch is AWFUL, I mean look at it, springs sticking out of the top, the stuffing is coming out of the bottom, and, is that Fluffy in the cushion? ! (Meow) I think it's time to get to C and O Furniture in Eynon. They have such good prices on couches, I won't even mind the drive to get there! And maybe I'll look into financing a new bedroom set while I'm there, is Barfy still stuck in guest bedroom's mattress, honey? (Bark, Bark) Oh Dear, We have to go to C and O furniture NOW! Honey call the fire department, I think we're gonna need the jaws of life!
